*“Creating Flow: Healing Globally”  
13th Annual International Energy Healing Conference  
presented by Healing Touch International  
September 3 - 6, 2009  
Tucson, Arizona*

*This year the conference is being held at the beautiful Loews Ventana Canyon Resort in Tucson, Arizona and we're anticipating a big turnout. For those of you who have participated in this conference in previous years, you know it is an excellent forum for displaying and selling your products and services. Our attendees already have an avid interest in these types of products and services, and come prepared to explore, learn, and buy! In addition to the usual exhibitor package, we have created additional opportunities for you to advertise your business.*

- 1. Advertise in our quarterly publication, Perspectives in Healing, which goes out to an average 3,500 individuals who are specifically drawn to the holistic health and metaphysical arena. Attendees include licensed health care professionals, spiritual care professionals, students, scientists, and others interested in the healing arts.*
- 2. Advertise in the HTI Conference Booklet. You will receive a free listing in the booklet, however this gives you the option of a larger advertisement. This booklet is given to every attendee and is kept as a remembrance of the conference, is often shared with other community members when the attendee returns home. It will keep your contact information with the attendees long after they return home.*
